

November 3, 2011

Dear Parents and Guardians,

We welcome this beautiful season of Autumn despite already having our first snow fall and the difficulties that came with it. Hopefully you and your families are now back to normal and all is well. The children are adjusting well to school and are all busy learning and having fun. The teachers have provided many wonderful experiences and projects in the classroom. Please encourage your child to share with you what they are learning.

Thank you for attending the **BACK TO SCHOOL NIGHT**. We had very good attendance and many parents said they enjoyed the evening. We thank our new Class Moms for setting and cleaning up and other moms for their contribution of refreshments

KID'S COUPON BOOKS ARE DUE BACK NOW.

GENEVIEVE FUNDRAISER is here at the school and can be picked up.

Thank you for your support

HALLOWEEN means holy evening and is the night or evening before **ALL SAINT'S DAY**. Tradition is that people dressed up as a Saint.

The children will enjoy Halloween parties on Friday, November 4. All children are invited. They will visit the Rectory for trick or treating and will parade through the classrooms. The children will end their day by parading outside 10 minutes before dismissal. It should be a fun day for all.

I appreciate all your support.

Sincerely,

Sister Suzanne Janis, OP
Director
