

September 22, 2011

Dear Parents and Guardians,

WELCOME!! We are all so glad to be back. We had a wonderful Summer Camp and I know all of the children, as well as the staff enjoyed the experience. We are now into full swing and all of our children are off to a good start. The teachers have prepared wonderful lessons and the assistants will help carry them out. Please be sure and ask your child daily what they do each day. It is very important for them to share their world with you.

Please bring children in on time so they do not miss out on anything and pick up on time. This is important for the smooth running of the program.

Please continue to park in the designated parking spaces and not in the first row. This helps with our children's safety. We ask that you use the MAIN ENTRANCE ONLY when coming to or leaving the school. All students will be brought out these main doors. During inclement weather, you are asked to pick up your child from their classroom.

I encourage you with the FUNDRAISER. It is for the benefit of our children and school. Profits will go toward the various events/activities that are provided throughout the school year for the children.

REMINDER:

It is important that if you are interested in having your child stay for lunch, you see me to begin.

For your convenience we offer the following:

Children can be brought in 8:30-9:00 and/or 2:30-3:00 for an additional fee of \$5.00 per session.

Thank you,

Sincerely,

Sister Suzanne Janis, OP
Director
