

Mandatory #3

Tricky Tray Basket Donation

Trinity Academy Home School Association will again proudly host Tricky Tray. The HSA is doing their best to make Tricky Tray a "Fall" event and keep Casino Night as our "Spring" event, but it has not been that simple to get a "Fall" date. Stayed turned... we will provide an official date as soon as possible.

Each family will be responsible for donating a basket valued at \$50.00. However, donating a basket valued at \$50.00 does not mean you have to spend \$50.00! Be a smart shopper and hit the sales!

Additionally, families may choose combine their donations and provide a joint basket meeting the Grand or Super prize criteria. Our Tricky Tray Committee will provide details on Grand and Super prize donations at a later date.

Attendance at Tricky Tray is not mandatory. This is an evening of fun and tickets are expected to sell out as quickly as they did last year.
