Dear Parent/Guardian,

School policy requires that students receive an annual dental examination. For your convenience, a dental form is included below; however we will accept any form signed by your dentist for the current year (2011). Please submit verification of your child's dental exam by **December 1, 2011**. **All kindergarten and new students should have already provided their child's dental form.**

If we do not receive verification of a dental exam your child will be seen by the school dentist.
